## Lisa uses the elevator

**Push elevator call button**

Mommy pushes the elevator button and we wait for the doors to open.

**Stand in elevator**

Lisa and Mommy get on the elevator while the doors are open.

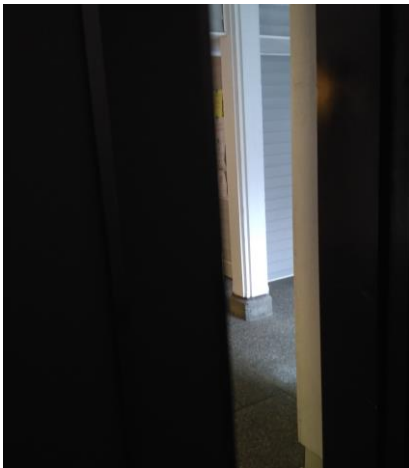

# Lisa uses the elevator

Push a floor button

Mommy pushes a floor button inside the elevator and the doors close.

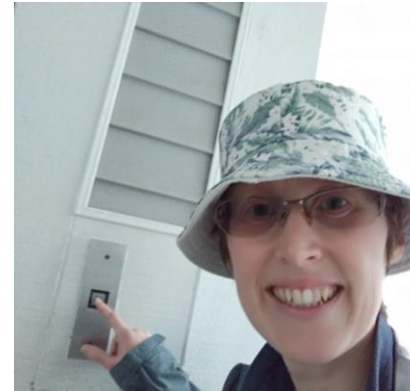

Walk off the elevator

When we arrive at the floor, the door opens, and Lisa and Mommy walk off the elevator.

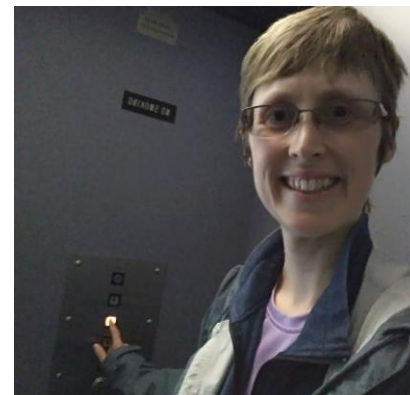

# The doors close before everyone gets on or off the elevator

Lisa is on the elevator alone

Lisa waits inside the elevator alone. Mommy pushes buttons outside the elevator to open the doors again.

Mommy is on the elevator alone

Lisa waits outside the elevator alone. Mommy pushes buttons inside the elevator to open the doors again.

# Lisa feels scared but she is brave

## Lisa feels scared

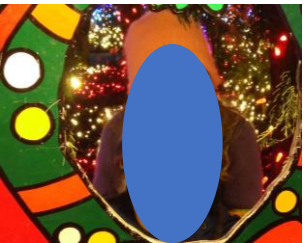

When Lisa is alone on the elevator or outside the elevator she feels scared. Lisa might cry. It is okay to cry.

## Lisa is brave

Even though Lisa feels scared, she knows that Mommy will open the elevator doors and have a big snuggle. Lisa is safe.

## Kate is brave

When Kate was little, she rode the elevator alone! Her Mommy pushed the buttons to open the door again.

# My family loves me!

Lisa might feel scared when she is alone on the elevator, but she is brave and knows that Mommy will push buttons to open the door.

Remember, when Lisa feels scared, she can sing, "When we do something new, let's talk about what we'll do."
